COVID POLICY

In October, all students and staff are given name tags as part of WCLS's COVID-19 precautionary measures. Everyone shall enter the building wearing their name tags and all should keep their name tag safe. The replacement fee for the name tag is \$5. As a reminder, our COVID policy is as follows:

- 1) WCLS teachers, TAs, students, and employees will wear name tags upon entrance to the building. At the door, two representatives from the PTO will ensure only students, teachers, and necessary personnel enter the building. Three TAs will be responsible for taking the temperature of all students and employees, making sure they wash their hands, and helping younger students find their classrooms.
- 2) Parents from the PTO will disinfect the classrooms.
- 3) TAs will arrange the desks to ensure social distancing.
- 4) After class, TAs will be responsible for bringing the younger students out of the building to be picked up by their parents.
- 5) After class, two designated parents will manage hallway traffic. Teachers will release students only after receiving approval from these parents.
- 6) Those who need to enter the building to communicate with the school will be required to make an appointment in advance.

The above recommendations are designed to protect every member of the WCLS. Therefore, all are asked to cooperate and participate.

COMMUNITY NEWS

"...Eight years later, in an interview shortly after winning the championship prize in the same tournament, Alan revealed how chess helped him to understand himself and the people around him; his rational personality could be accredited to the logic and foresight necessary in chess, and it was through the centuries-old strategy game that he had become more aware of this attribute."

-- 在奔跑中遇见更好的自己

作者, 李红叶, TA of WCLS

2021年11月25日, 我来到美国的两个半月后, 在美丽的 韦尔斯利,我完成了我人生中第一个正式的5公里跑步比赛 ——Wellesley 2021 火鸡跑。

虽然比赛之前的两个半月里经常跑步,但希望能够在这次 比赛里得到一个好点的成绩,比赛前两天心里略带紧张。不过 比赛前的热身,特别是与很多造型可爱的人们合影使我的紧张 感稍稍缓解: 跑步比赛对很多人来说, 娱乐的成分仿佛大于竞 争成分。

因为带着家中的狗宝,我们站在队伍的最后,想着一会儿 要从只有3人一狗的跑步模式, 变为在人山人海中奔跑, 脑中 难免有些眩晕。淹没于四周各种欢腾的声音,我已不知道什么 时候枪响,只知道随着人流慢慢向前移动。赛前设想了种种全 力奔跑的画面,真实的场景却是以"蜗速"开启了迷你马拉松 之旅。

前半程,心情的激动带动步伐,在Wellesley的小商业街 上,超过了一个又一个跑步者或漫行的人。

后半程,走进对我来说有如传说的Wellesley College。疫 情以来一直关闭的校园,特意为这次火鸡跑开放了。可是我的 双腿开始变得沉重,胸口像是被什么东西堵住,我甚至无力欣 赏给冰心带来心灵抚慰的卫冰湖畔。

出了校园,还要面对一个大上坡,双腿仿佛灌了铅,跑似 乎变成了挪,一步比一步难。只能在心里不断给自己打气:只 有一千米了,坚持一下!再坚持一下!

终于看到了终点线,希望就在眼前啦。不知哪里来的力 气,我竟然在迎着悦耳的加油呐喊声,加着速冲过终点了!停 了手表,发现自己竟然跑出了超出以往任何一次训练配速。心 里充溢着强烈的满足感,所有的不适似乎一下子就消失了!

放松过后,再回到现场,赛道上的人依然络绎不绝,终点 的加油声依然此起彼伏。我仿佛忽然悟到了人生真谛般: 在奔 跑的路上,永远有人比我快,也永远有人比我慢,我们都是在 完成着只属于自己的奔跑,哪怕进步一秒,都是在与更好的自 己相遇相拥!
